ABOUT WESTFIELD

Westfield Facility Solutions LLC is a 100% Black-owned, federally certified Small Disadvantaged Business and California-certified Small Business headquartered in Hayward, CA. We are an authorized reseller of commercial janitorial, sanitation, and facility maintenance supplies to federal, state, local, and education customers. Our no-warehouse, government-direct fulfillment model means distributor partners drop-ship product directly to the agency's verified address under our purchase order — eliminating warehouse risk while preserving same-day-quotable pricing.
